One of the best books on prayer availableVon Terry WhitakerThis book is one of the best books on prayer I have read. He gives 4 keys on how to hear God's voice and open a dialogue with Him involving 2-way communication. Too often we prayer at God and do not talk to God like a friend or family member. Overall this should be recommended reading for

Von Ein KundeThe book is more than just a reading book--it's an applications book. There are exercises that goad your faith and urge you to hear the voice of your Creator. I thoroughly enjoyed the book and most of all, I enjoyed putting those simple steps into practice.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great, life changing book--what a blessing! Von t_m_a_hudson@sprynet.comThis book has truly been a blessing sent by God himself. Step by step the author helps the reader to achieve the close intimate contact with our Heavenly Father by teaching on hearing Him and then journalling. Very good, and scripturally sound in its teaching.
