reading about his wisdom and virtue is absolutely moving. Socrates is such an inspiration to the world, and this book should be required reading for all human beings to teach them how to be truly good people. Socrates is my role model, and this book is absolutely wonderful in showing the incredible wisdom of this divine man. 1 von 1 Kunden fanden die folgende Rezension hilfreich. This book is simply a piece of art Von carubio@bellsouth.net If you are an amateur philosopher like me, this is a great book to start. Surprisingly it is easy to read!!! At the beginning looks boring, but when you start feeling the taste of it, you will LOVE it.

This edition contains his final editorial selections, and includes the "Eryxias", the "Second Alcibiades" and 21 essays.
