Dialogues with GodVon Joyce F. LaBertaTruly amazing is the way that Author Frances Roberts has captured my very own questions to God. Even more amazing is the way those questions are answered. This little book is one that can be both simply "enjoyed" as well as "digested". Each page is a complete and powerful two way conversation with God on a variety of subjects that all of us share. One such delightful page is a complaint to God about the lack of time we have in a day to complete our tasks. Then, God responds with an answer that leaves you with this "Oh, now I understand" feeling. I highly recommend this book to anyone that would enjoy hearing God's conversations with a human being

who loves Him.
