Von Kate Snell : Diana: Her Last Love before purchasing it in order to gage whether or not it would be worth my time, and all praised Diana: Her Last Love:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The cover photo is the best partVon A. BurchfieldThis book isn't one to really enjoy. Ms. Snell uses other books(listed in back) as references, no real problem with that but then she goes further and uses anonymous sources. I never really like that because you have no way of knowing how good that source is or whether or not they might have a grudge

against the subject. I suspect that some enemies of the Princess more than her friends contributed, that stuff about Diana trying to pay Simone Simmons with gifts instead of cash is an example of this. Anything I've ever read indicates to me that she most likely would not have done this (although she could be very generous with gifts), that would be a trait more of the born Royals. The love life details, are they true? I don't know, the Princess is dead and Hasnat Khan isn't talking. A person should also remember that in 1997 his relatives embarrassed him by talking so much, sounds to me like they're still at it. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Ein sehr schnes Buch Von Christianich habe es richtig verschlungen was bei einem buch eher selten vorkommt,es war schn geschrieben und hat mich gefesselt gleichermaßen auch berhrt.

Kurzbeschreibung International bestseller behind the new motion picture. Exploring the fascinating and uncharted period in Dianas life between 1992 and 1997, Diana - Her Last Love offers a unique insight into Dianas world and the events central to her last years. International bestselling author Kate Snell seeks to find out who Diana really was, how and why she searched for her version of love and to understand the events that were to fundamentally shape Dianas life. Following the story of her enduring love for Dr. Khan, the man she wanted to marry, and featuring unique testimonies from Dianas closest confidantes and Dr Khans own family, Diana - Her Last Love is a powerful collection of memories by which Diana can always be remembered. Kurzbeschreibung International bestseller behind the new motion picture. Exploring the fascinating and uncharted period in Dianas life between 1992 and 1997, Diana - Her Last Love offers a unique insight into Dianas world and the events central to her last years. International bestselling author Kate Snell seeks to find out who Diana really was, how and why she searched for her version of love and to understand the events that were to fundamentally shape Dianas life. Following the story of her enduring love for Dr. Khan, the man she wanted to marry, and featuring unique testimonies from Dianas closest confidantes and Dr Khans own family, Diana - Her Last Love is a powerful collection of memories by which Diana can always be remembered. Synopsis The content of this book is so controversial that that ITV nearly decided not to show the documentary. Diana - Her Last Love is the untold, controversial story of her relationship with Pakistani heart surgeon Hasnat Khan. It reveals how they met at a London hospital and how, for the last two years of Diana's life they managed to keep their affair largely secret. Khan unlike anyone else the Princess had ever met, and his desire to alleviate suffering, created a deep bond between them. In the words of Diana's confidant, Imran Khan, he was 'the man' and she wanted to spend the rest of her life with him. Putting the story in context with the rest of Diana's life, author Kate Snell shows how the Princess's fascination with Islam can be dated back to 1990 and how she would have converted if she could win the heart of Hasnat. She also pieces together the evidence to argue that, when Hasnat finally broke off their relationship, Diana planned several strategies to win him back. The book reveals how Imran Khan agreed to try to persuade Hasnat to think again and, more daringly, how she decided to use the media and Dodi Fayed to make the doctor jealous. Using powerful fresh testimony from some of her closest friends, Diana - Her Last Love gives a unique insight into Diana's world and a new interpretation of events central to the last years of her life.
