Von David W., editor Bercot : Dictionary of Early Christian Beliefs before purchasing it in order to gage whether or not it would be worth my time, and all praised Dictionary of Early Christian Beliefs:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. sehr hilfreichVon SquirrelAusgesprochen hilfreiches Nachschlagewerk um der Lehre der frhen Christen sowie deren Auslegungen der Schrift auf die Spur zu kommen, von vielen Seiten und Themen her betrachtet. Leider nur auf Englisch. Wer nicht gebt ist, die Bibel und deren Themen auf Englisch zu lesen, muss schon einige Vorarbeit und

Einarbeitung in Kauf nehmen.0 von 0 Kunden fanden die folgende Rezension hilfreich. der Glauben der ersten Christen Von Andreas W. Das perfekte Buch für jeden, der wissen möchte, was Christentum ursprünglich bedeutete. Wie ernst nahmen die ersten Christen Jesus' Worte? Antwort: Sehr ernst - da wurde nichts wegerklärt, so wie es heute der Fall ist. Und dennoch hatten sie einen riesen Zustrom. Warum? Einfach mal selbst ausprobieren und nachprüfen. Die Wahrheit lässt sich eigentlich einfach logisch erschließen. Dabei kann dieses Buch sehr helfen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Do you want to know what the early church believed...? Von David Bennett How the early church (those who lived from the time of the apostle John to around 330 AD) viewed issues may be slightly different than many Christians do today. This book (all 704 pages!) catalogs those beliefs in a systematic, topical fashion. Want to know what the church believed about Original Sin? or the Trinity? or abortion? or even reincarnation? Bercot puts together a variety of quotes (directly from the Ante-Nicene writings) together for each topic. Many topics have 10 or more quotes of a variety of lengths from the church Fathers. Also the page number of the quote (in the Ante-Nicene 10 volume set) and the date of the author are listed. Also included at the very beginning is a brief biography of the major Christian Fathers. The doctrines that the early church held may surprise many today...overall, they wouldn't serve in the army if it meant killing, they believed in free-will, and they accepted the apocrypha, at least as useful reading. Even if one does not accept their interpretation, it is still useful to know what the people who lived closest to Christ thought and believed. It is truly an excellent reference guide I would never be without. I personally get my theology from the Bible and the interpretations of it provided by the Church fathers.

Kurzbeschreibung Interest in the ways of the early church has never been more intense. What did early Christians believe about the divinity of Christ? What were the beliefs of those who sat at the feet of Jesus disciples? Now, for the first time, a unique dictionary has been developed to allow easy access to the ancient material and furnish ready answers to these questions and others like them. David W. Bercot has painstakingly combed the writings of these early church leaders and categorized the heart of their thinking into more than 700 theological, moral, and historical topics to create A Dictionary of Early Christian Beliefs. Wonderfully suited for devotional or thematic study as well as sermon illustration, this resource offers a window into the world of the early church and affords a special opportunity to examine topically the thoughts of students of the original apostles, as well as other great lights in the life of the early church. Pressestimmen "At times sermons and books refer to the beliefs and writings of early Christian leaders, and this dictionary is a compilation of those, arranged according to more than seven hundred topics. What did Clement of Alexandria say about abortion? What did Irenaeus note concerning the priesthood of the believer? How did Justin Martyr view the matter of divorce? Needless to say, the book is very interesting. "The book begins with a 'Who's Who' listing of the ante-Nicene Fathers whose comments are included throughout this reference tool. The section lists not only their names but also what they are remembered for, when they lived, and how to pronounce their names. 'How to Use This Dictionary' at the beginning is useful too. . . . it is good to have a handy resource on what [the church fathers] believed and said." --"Baptist Bulletin" "A Dictionary of Early Christian Beliefs " is the best overall introduction to the ante-Nicene fathers in print, and is perfect for group study! The ultimate Sunday school reference work.-- www.AmericanVision.org Kurzbeschreibung Interest in the ways of the early church has never been more intense.
