Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Wonderful Book To Share With Your Son Von M. Schauer This is a great book to share with the little boy you love. My three-year old enjoys listening to the stories and looking at the darling illustrations. He also has a good time searching for the small angel that is hidden in each picture. I especially enjoy the "Mom's Touch" and "Becoming A Man Of God" that follow each story. This gives my son and me a chance to talk about real life situations that relate to the story we've just read. I plan to give this book to my friends who have sons.
