Von Helen L. Taylor : Little Pilgrim's Progress: From John Bunyan's Classic before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Pilgrim's Progress: From John Bunyan's Classic:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The best book I have ever read my children!Von Karen G. SeaseI was given this book, in its first printing, in an old stack of books about 6 years ago by my mother-in-law. The cover was different and uninteresting looking but it had no effect

on what was inside the cover. This is the best book I have ever read to my children and they strongly agree. It took us a year to get through it at bedtime, but we all enjoyed it. They were 4 years old and 7 years old at the time, so the age range is much broader than specified. I learned so much from the book and so did they. It is challenging, both verbally and spiritually, and captivating. My children would beg me to read it to them because they couldn't wait to find out what happened to the children in the book. I recommend this book to everyone, both the Christian and non-Christian. You will not be sorry! Enjoy!0 von 0 Kunden fanden die folgende Rezension hilfreich. Great to read to middle elementary Christian school studentsVon Ein KundeI have read this book aloud to my 3rd grade students each year. The chapters are fairly short, so it's just right for a cool-down time after recess. Bunyan's story is scaled down so that a child can understand it. The moral lessons are great. All the characters are children, so little listeners tend to be more interested. Usually several of my students want to read it for themselves after I have finished reading it to the class. Don't be afraid of Bunyan's lofty story. The author does a wonderful job simplifying the theme of each chapter while staying true to Bunyan.0 von 0 Kunden fanden die folgende Rezension hilfreich. Not just for kids.... :)Von RobertWell, I have to admit... I love the book for myself. My pastor let me borrow it several years ago when I first became a Christian, and I loved it. I'm glad that I've finally been able to find a copy for myself! :) I know that whenever God blesses me with children I'll be sure to read this story to them over and over again... but for now I'll just enjoy it myself :)

KurzbeschreibungFifty-five years ago, Helen L. Taylor took John Bunyan's Pilgrim's Progress and simplified the vocabulary and concepts for young readers while keeping the storyline intact. The result was a classic in itself, which has now sold over 600,000 copies. It's both a simple adventure story and a profound allegory of the Christian journey through life, a delightful read with a message kids ages 6 to 12 can understand and remember. A new look and fresh illustrations for today's children enlivens the journey to the Celestial City.
