Keeping close to out of town grandchildrenVon calender@hsonline.netPractical suggestions about being an everyday part of your grandchild's life even though they live too many miles away to visit frequently.I especially like the idea about buying books to send to small grandchildren and recording them on a cassette before you mail it. As the young child looks at the book their Grandparents sent them they can play the cassette and listen to Grandma or Grandpa read the book to them. It is a special personal way to share a book with children many miles away. It helps grandparents become something more to little children than just a picture in a frame.0 von 0 Kunden fanden die folgende Rezension hilfreich. Among her numerous ideas are art projects, recipes, and simple gifts that keep hearts knitted together.
