and their journey transports the reader back in time.

**Kurzbeschreibung**The summer of 1939 turned out to be the last summer of author Lucy Lipiner's childhood. On September 1, when she was six years old, her parents roused her and her older sister from their beds and, with other relatives in tow, left their town of Sucha, home to 780 Jewish people. It was a decision carefully planned and carried out by the author's father which resulted in saving the lives of fifteen people. But the journey of survival was not an easy one, and in *Long Journey Home A Young Girl's Memoir of Surviving the Holocaust*, from the perspective of that little girl, Lipiner narrates her family's story. She tells of an odyssey of escape and rescue full of hardships and tribulation. From her sheltered life in a picturesque small town at the foothills of the Tatra Mountains to her time as a barefoot and hungry little girl in Siberia and Tajikistan in central Asia, and finally her arrival in America, this memoir shares the emotional details and the physical struggles of a ten-year flight to freedom. A story of resilience, *Long Journey Home A Young Girl's Memoir of Surviving the Holocaust* provides a detailed, historical account of a little-known and rarely discussed group of Holocaust survivors.
