KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. to know Him is to love himVon P. germaineThis book helped me to come to know God more intimately. Such an intense study

of the character, nature and attributes of God...that help those who want to know God up close and personal. Kay Arthur gave us the means to know that God is more than just a name, but His omnipotence is real, His omnipresence beyond what can be fathomed. In the Old Testament His people called on Him by His many names and it helped to understand how God is there in every aspect and every detail of our lives. This study was well written and delivers one into an arena that leaves you wanting to know more about the One True God.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book highly recommended!Von Ein KundeIn this book, Ms. Arthur provides studies that help the reader to understand the meaning of several names used in the Bible to refer to God. Each study provides exercises that help the reader to examine the accompanying passage of Scripture, understand how a particular name for God is evident in the passage, and explore what the passage means for the reader personally. This is a good study book for those who study alone as well as for groups.0 von 0 Kunden fanden die folgende Rezension hilfreich. Will greatly enhance your understanding of God...Von Ein KundeStudying what God says about Himself, based on the names He uses for Himself in the Bible, is not only very enlightening, but also really helps you to know that you are not putting your faith in an abstract God, but in a multi-dimensional God of great power and love, who is completely worthy of our love and devotion and is fully capable of caring for those He created, us.
