must to go with your bible, moving, motivating. Von Ein Kunde I am a new christian and find this book speaks to me through the writer's words. I am finding myself anxious each day for the time to draw near to God through this author's words. I have never read any of her other books. I find this book makes me look at my life like I have never looked at it before. It makes me look at God as I have never dreamed possible. I am ordering 15 copies of this book and we are going to have a 9 week devotional on character at my church on Tuesday nights. I have showed it to other members of my church (only 98) and all interested will be taking the class with me. Whether you are now a christian or just became a christian I think most all would feel the same way after reading only the first chapter. You can not get enough of it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. life changing Von Ein Kunde This book has changed the way I now study the bible. When someone else is reading/teaching out of the bible, I am much more aware of the full understanding and I want to study it in an inductive way. I have never read the bible or studied references like I do now: since reading this book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. This is an awesome book that challenges you to grow.
