Von Jason Tucker : Lou vs. the Zombies (Chronicles of Lou #1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lou vs. the Zombies (Chronicles of Lou #1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A short review to a short storyVon T. RenzerLOU VS. THE ZOMBIES turns out as expected when you read the title.Lou is retired. Lou lives in a trailer park, sending most of his money to his daughter. And Lou is a former mafia killer. But as

told before - now he is retired. Then suddenly a strange kind of zombie disease breaks out in the small town and most of the 700 inhabitants turn into flesh eating un-dead monsters. They want to overrun the trailer park, but Lou steps in their way. Splatter movie stuff of course. Could be turned into a movie without any changes, because all is right. An old, ironic hero with a gunning past, a small town, lots of zombie-monsters eating flesh and bones and a lot of blood spilled. And the best - downloaded it for free ...

Kurzbeschreibung What happens when an over the hill mafia bodyguard has to deal with zombies invading the trailer park he now calls home? Lou Black, former Giovanni family enforcer and protector, is about to find out. Poor zombies. Kurzbeschreibung What happens when an over the hill mafia bodyguard has to deal with zombies invading the trailer park he now calls home?
