Hier geht's nicht darum, wie installiere ich mein Programm. Lowery zeigt vielmehr Kniffe, mit denen routinemige Arbeiten noch schneller von der Hand gehen und insgesamt das Arbeiten im Dreamweaver optimiert werden kann. Obwohl schon seit einiger Zeit am

Dreamweaver, waren mir viele der Ideen neu. Schade dass es so etwas nicht auch auf deutsch gibt. Doch selbst mit Englisch-Schulkenntnissen ist alles leicht verständlich, weil Lowery durchgehend einen sehr flapsigen Ton anschlägt. Das Buch ist durchgehend farbig illustriert, übersichtlich im Layout und insgesamt durchaus seinen Preis wert. Ich würde es jedenfalls wieder kaufen und kanns empfehlen.~
