Von University Press of Mississippi : Manners and Southern History before purchasing it in order to gauge whether or not it would be worth my time, and all praised Manners and Southern History:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.
faszinierende volkskundliche Aufsatzsammlung Von Maria Mrs Eigentlich hatte ich das Buch gekauft, um mehr ber
Mannieren und Gebrauch zur Zeit des Brgerkriegs zu erfahren. Leider war in diesem Punkt die Ausbeute sehr gering,
bis auf eine Ausnahme behandelten die Aufsätze spätere Zeiträume. Dennoch war ich gefesselt und positiv überrascht
von der gebotenen Methodik und den angeschnittenen Themenbereichen, die einen weiteren Zugang in puncto

Mentalittsgeschichte eröffnen und durch ihre breite inhaltliche Fächerung viele Anknüpfungspunkte bieten. Interessant und informativ!

KurzbeschreibungThe concept of southern manners may evoke images of debutantes being introduced to provincial society or it might conjure thoughts of the humiliating behavior white supremacists expected of African Americans under Jim Crow. The essays in *Manners and Southern History* analyze these topics and more. Scholars here investigate the myriad ways in which southerners from the Civil War through the civil rights movement understood manners. Contributors write about race, gender, power, and change. Essays analyze the ways southern white women worried about how to manage anger during the Civil War, the complexities of trying to enforce certain codes of behavior under segregation, and the controversy of college women's dating lives in the raucous 1920s. Writers study the background and meaning of Mardi Gras parades and debutante balls, the selective enforcement of antimiscegenation laws, and arguments over the form that opposition to desegregation should take. Concluding essays by Jane Dailey and John F. Kasson summarize and critique the other articles and offer a broader picture of the role that manners played in the social history of the South. Essays by Catherine Clinton, Joseph Crespino, Jane Dailey, Lisa Lindquist Dorr, Anya Jabour, John F. Kasson, Jennifer Ritterhouse, and Charles F. Robinson II Ted Ownby teaches history and southern studies at the University of Mississippi.
