**Von Anthony R Birley : Marcus Aurelius: A Biography (Roman Imperial Biographies)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Marcus Aurelius: A Biography (Roman Imperial Biographies):

KurzbeschreibungMarcus Aurelius, the philosopher-emperor who ruled the Roman Empire between AD 161 and 180, is one of the best recorded individuals from antiquity. Even his face became more than usually familiar: the imperial coinage displayed his portrait for over 40 years, from the clean-shaven young heir of Antonius to the war-weary,

heavily bearded ruler who died at his post in his late fifties. His correspondence with his tutor Fronto, and even more the private notebook he kept for his last ten years, the *Meditations*, provides a unique series of vivid and revealing glimpses into the character and preoccupations of this emperor who spent many years in terrible wars against northern tribes. In this accessible and scholarly study, Professor Birley paints a portrait of an emperor who was human and just - an embodiment of the pagan virtues of Rome.
