Von Liam Clarke, Kathryn Johnston : Martin McGuinness: From Guns to Government (English Edition)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Martin McGuinness: From Guns to Government (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hervorragende QuelleVon Alf Reader... fr meine Seminararbeit. Es handelt sich halt um eine eher kritische Betrachtung der politischen Person Martin McG., sehr sachlich, nahezu akademisch formuliert, bringt aber den

Menschen McG und den Nordirland-Konflikt gut in den Fokus.

Kurzbeschreibung Martin McGuinness: From Guns to Government is a revised and updated new edition for Kindle with recent interviews and bonus material, including an account of the authors' arrest under the Official Secrets Act for revealing that Martin McGuinness's phone was being tapped by MI5 and publishing the transcripts of some calls (included in this edition.. The book tells the story of Martin McGuinness's personal journey from undistinguished IRA volunteer to the man labelled 'Britain's No. 1 Terrorist' by The Cook Report. By the end of the '90s, Esquire magazine rated him the second most powerful man in the United Kingdom after Rupert Murdoch. And, although he denies ever having been IRA Chief of Staff, he says that he regards the charge as a compliment. McGuinness, now Deputy First Minister in the Northern Ireland Assembly, has been described as 'excellent officer material', 'the personification of the armed struggle' and 'IRA godfather of godfathers'. Yet he is also a devout Catholic, a husband and father of four and a keen poet and fisherman. In his native Derry, he is equally revered and reviled. This book uncovers the truth behind the enigmatic and intensely private individual who holds the peace process in the palm of his hand. It also includes appendices detailing Martin McGuinness's full criminal record, his various positions in the IRA and contact between McGuinness, Downing Street and the Secretary of State for Northern Ireland. Pressestimmen 'Fascinating...the McGuinness story is truly amazing; read this biography and blanch' Sunday Independent 'A useful new insight into the man' Irish News 'An impressive study of the most controversial republican member of Northern Ireland's current power-sharing government' Daily Telegraph Werbetext 'Fascinating...the McGuinness story is truly amazing; read this biography and blanch' SUNDAY INDEPENDENT.
