Von Dylan Morrison : Matrix Messiah (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Matrix Messiah (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Enlightening and freeing... Von Florian BerndtContemporary theologian N.T. Wright once wrote, that that very often people have come to the New Testament with the presumption of going to heaven when you die is the implicit point of it all, and that they require that viewpoint from somewhere, but not from the New Testament.In his new book The

Matrix Messiah, author Dylan Morrison successfully shows that the salvation Jesus came to bring entails something far greater and more beautiful than such a fairy tale version of the deliverance promised in the good news of the Great Rabbi. Based upon his own life's experiences in the realm of abusive religion and Jesus' message of the unconditional love of His Abba, Dylan exposes the underlying desire conflicts that throw us individually, as well as our societies into conflicts of internal and external violence. The great thing about this book is that it does not leave us alone with the analysis of the problem, but shows us how the spirituality of the Jewish prophet from Nazareth the Gospel holds the key to our freedom and thus real salvation. Further, Dylan offers practical advice of how to embrace and live its life-transforming message in our everyday life. Readers from all ends of the spiritual spectrum and walks of life will find here a message of hope that will undoubtedly lead many seekers to the Source of Jesus' confidence and joy.

Kurzbeschreibung Matrix Messiah lifts the lid on the subconscious matrix that most of us miss, the subliminal puppet-master of our day-to-day relationships and actions. Discover why certain people get under our skin; why we feel trapped by life; why inner peace continually eludes us. Spiritual writer, Dylan Morrison, examines the radical mission of Nazarene prophet, Yeshua bar Yosef, through the complementary lenses of Girardian mimetic theory and transpersonal psychology. The result? A key of knowledge, a long time hidden, yet deeply practical revelation that frees us from the gravitational field of interpersonal control and cultural manipulation. By exposing the roots of our individual psychic fragmentation and society's ever increasing violence, Matrix Messiah brings a much needed message of hope and reintegration, for religious and non-religious alike. A therapeutic insight into the Galilean holy man; one that will challenge the prevailing world views of Christianity, atheism and just about everything else in-between.

ber den Autor und weitere Mitwirkende Dylan Morrison is a spiritual author, poet and contemporary Yeshua thinker, presently living in the historic, cathedral city of Lincoln, England. Raised in Northern Ireland, Morrison has a great empathy with all who've travelled through dysfunctional religious movements in their search for meaning. He writes to expose religious control whilst bringing hope to those who've suffered from various forms of spiritual abuse. Morrison believes that the mysticism of Yeshua bar Yosef, the Nazarene prophet-teacher, holds the key for those searching for an authentic spirituality; one that satisfies the hunger of angst-ridden, 21st century man. His previously published works comprise, Bolts From The Blue, Way Beyond The Blue and his popular autobiographical tale, The Prodigal Prophet.
