**Von Eric Hanson, Kenneth Ibrahim, Alex Nijmeh : Maya 6 Killer Tips** before purchasing it in order to gage whether or not it would be worth my time, and all praised Maya 6 Killer Tips:

KundenrezensionenHilfreichste Kundenrezensionen6 von 6 Kunden fanden die folgende Rezension hilfreich. Hlt was es versprichtVon Ein KundeWas dieses Buch fr mich so besonders wertvoll macht ist, da die meisten dieser Tips nicht fr exotische Ausnahmesituationen sondern im tglichen Gebrauch Zeit sparen. Alles an diesem Buch dreht sich um Geschwindigkeit. Es wird auf Optimierung von Workflow, Modelling, Lighting, Rendering, Animation usw. eingegangen, egal wo man seinen Schwerpunkt setzt, es findet sich ein brauchbarer Tip der sich bald bezahlt macht. Allein die Tips ber Automation per MEL sind fr jeden Maya-User Gold wert. Die Feature-Film Erfahrung der Autoren sieht man dem Buch eindeutig an.

**Kurzbeschreibung**With more than 90 percent of film effects houses and half of the North American game studios using Maya in their projects, the pressure is on for 3D modelers to prove their Maya chops! It's not enough to just know how to use the program; you need to demonstrate that you can do so swiftly, efficiently, and with dazzling results! Here to ensure you do is a fun, full-colored guide that's been pared down to just the essentials: the hundreds of tips, shortcuts, and tricks the pros use every day to speed their Maya 6 workflows. Along with tips for customizing the Maya interface, polygonal modeling, rendering, and more, veteran author Eric Hanson also provides tons of insider techniques for working with Maya 6's newest features including tips for working with new tools like the Soft Modification Tool, Animation Retargeting, and High Quality Shading; advice for working with the new particle behavior features; cool new hotkeys; and insight into streamlining the texting process with Maya's new Photoshop integration, to name only a few. You'll quickly find that the techniques revealed here allow you to work faster, smarter, and more creatively!
