heroic than I really was. Fact is, I would have gone looking for the team if I had been told to, but I was happier than hell that I wasn't! There was a huge storm in the area that night and I had a really bad feeling about flying around in it trying to make radio contact with the team. Using my simple logic, if they were okay, they would still be okay in the morning when the storm passed. And if they weren't okay, increasing the body count by 5 wasn't going to help either. Kregg, if you read this, please contact me.0 von 0 Kunden fanden die folgende Rezension hilfreich. The best book I've ever read-true history of courage.Von Ed Beal (rebeal@mindspring.com)The book took me back ,to that day ,that will stay with me for the rest of my life.Kregg did a very good job of what really went on that day,June 17,1970.Kregg has a talent of letting the readers experience the sights ,sounds and the smells of the jungles in Southeast Asia during the Vietnam War.If the readers want to experience the young,raw courage of ground troops during the war, read this book.0 von 0 Kunden fanden die folgende Rezension hilfreich. an exciting book!Von Ein KundeAs I read this story I had to stop every so often to remind myself that this really happened and that these are real people. It is an amazing story and one that will be with me for a long time.

Kurzbeschreibung"This is an inspiring story of courage and sacrifice--one hell of an exciting true war story!"--Kenn Miller Author of Tiger the Lurp DogOn 17 June 1970, in Mondol Kiri Province, Cambodia, the five men of Long-Range Reconnaissance Patrol (LRRP) Team 5-2 were about to halt for the day. Night was coming, the skies were dark, and so were the men's thoughts--they'd just found freshly dug NVA bunkers inside a scrub-brush tree line and their position was not secure. As they carefully searched for better night lager, they learned the hard way that they had walked into an ambush kill zone: NVA fire quickly downed two men and wounded two others. In minutes, Team 5-2 had been transformed from the hunters to the hunted. They had no radio comms with their headquarters and had just two rifles and fifteen magazines of ammunition.Two men were down, but the team was not out. MIA RESCUE is the story of Team 5-2 and the heroic and ultimately successful attempts to rescue them despite extraordinarily bad weather and an angry and aware enemy. "Seldom can an author stimulate emotions, from the taste of fear to sweaty palms to the feeling of relief when the mission is over, but Jorgenson does and much more. If the reader was never in combat, he will feel like a Nam vet when he finishes this book."--Jerry Boyle Author of Apache SunriseFrom the Paperback edition.Kurzbeschreibung"This is an inspiring story of courage and sacrifice--one hell of an exciting true war story!"--Kenn Miller Author of Tiger the Lurp DogOn 17 June 1970, in Mondol Kiri Province, Cambodia, the five men of Long-Range Reconnaissance Patrol (LRRP) Team 5-2 were about to halt for the day.
