Einzigartig und erleuchtetVon ShadowriderFalls Sie auch schon immer das Gefühl gehabt haben, dass Jesus immens wichtige Wahrheiten in die Welt gebracht hat, dass jedoch irgendwie manches in der Bibel seltsam, unerfreulich, widersprüchlich oder überhaupt nicht glaubwürdig ist, dann kaufen Sie sich bitte DIESE Bibel-übersetzung.Meines Erachtens ist sie die einzige Übersetzung, die wirklich das trifft, was Jesus gemeint hat.Sie lässt den Leser fühlen, für wie falsch Jesus die herkömmliche Vorstellung des strafenden, rachsüchtigen Gottes hält, der Menschen leiden lässt um sie entweder zu strafen oder ihnen "auf die harte Tour" etwas beizubringen (eine Idee, die sich leider bis in unsere Zeit gehalten hat und die viele Menschen vor dem Christentum zurückschrecken lässt), wie nutzlos für ihn religiöse Traditionen sind und - was am allerwichtigsten ist - sie vermittelt auf inspirierende Weise sein Wissen über den wahren Gott der Liebe - der jedoch kein schizophrener Gott ist, der "unglaublich liebt" und dann Kinder qualvoll an Krebs sterben lässt sondern er ist der Gott, "in dem keinerlei Finsternis ist", von dem absolut nichts Böses ausgeht, der das Schlimme in der Welt in keiner Weise will.Der Autor geht dabei zum Teil ganz detailliert auf die altgriechischen Originalwörter ein und übersetzt z.T. sogar die einzelnen Wortteile extra, sodass man auch als Mensch, der nicht altgriechisch kann, zu dem Grundgefühl gebracht wird, dass der Originaltext vermitteln wollte.Und es ist kaum zu glauben, welche Unterschiede es in den Übersetzungsmöglichkeiten gibt - wobei der Autor häufig sehr gewissenhaft auch die Mainstream-Übersetzung zum Vergleich anführt, was das Ganze noch interessanter macht.Ein definitiv erleuchtendes Werk mit einem erleuchteten Inhalt!1 von 1 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungThe incarnation is the most accurate and articulate translation.Any sincere student of classical music would sensitively seek to capture and interpret the piece so as not to distract from the original sound of the composition.To form an accurate conclusion in the study of our origin would involve a peering over the Creator's shoulder as it were, in order to gaze through his eyes and marvel at his anticipation. His invisible image and likeness is about to be unveiled in human form.The incarnation celebrates the fact that the destiny of the Word was not the page but tangible human life! The word of truth accurately preserve's God's original idea in the resonance of our hearts.3:2 Instead of an impressive certificate framed on my wall I have you framed in my heart! You are our Epistle written within us, an open letter speaking a global language; one that everyone can read and recognize as their mother tongue! (1Anaginosko, to know again; to read with recognition.)3:3 The fact that you are a Christ-Epistle shines as bright as day! This is what our ministry is all about. The Spirit of God is the living ink. Every trace of the Spirit's influence on the heart is what gives permanence to this conversation. We are not talking law-language here; this is more dynamic and permanent than letters chiseled in stone. This conversation is embroidered in your inner consciousness. (It is the life of your design that grace echoes within you!)People who have stopped reading the Bible or never even read it before say about The Mirror, "I have never read anything that touched me so deeply, it is a brand new Bible, I cannot wait to give it to all my friends!"The Mirror Bible is a paraphrase from the original Greek text. While the detailed shades of meaning of every Greek word have been closely studied, this is done taking into account the consistent context of the entire chapter within the wider epistle, and bearing in mind the full context of Jesus as the revealer and redeemer of the image and likeness of the invisible God in human form, which is what the message of the Bible is all about. To assist the reader in their study, the author has numerically superscripted the Greek word and corresponded it with the closest English word in the italicized commentary that follows. This is to create a direct comparison of words between the two languages. Many words used in previous translations have adopted meanings in time that distract from the original thought. Individual words can greatly influence the interpretation of any conversation. For years deliberate as well as oblivious errors in translations were repeated and have empowered the religious institutions of the day to influence, manipulate and even abuse masses of people. Consider the word metanoia, consisting of two components, meta, together with, and nous, mind, suggesting a radical mind shift. This word has always been translated as "repentance," which is an old English word borrowed from the Latin word, penance. Then they added the "re" to get even more mileage out of sin consciousness. Re-penance. This gross deception led to the perverted doctrines of indulgences, where naive, ignorant people were led to believe that they needed to purchase favor from an angry god. Most cathedrals as well as many ministries were funded with guilt money. The Bible is a dangerous book! It has confused and divided more people than any other document. Scriptures have been used to justify some of the greatest atrocities in human history. People were tortured, burned to death and multitudes murdered based on somebody's understanding of the scriptures! Jesus, Paul and believers throughout the ages faced their greatest opposition from those who knew the scriptures. If it is such a dangerous document, how does one approach the book? The Mirror unveils the Incarnation Code as the key that unlocks the mystery message of scripture. The romance of the ages is revealed here.KurzbeschreibungThe incarnation is the most accurate and articulate translation.Any sincere student of classical music would sensitively seek to capture and interpret the piece so
