KurzbeschreibungOn a post crash, swing infused 1930s Caribbean island, five individuals are conspiring to to turn over a multimillion Dollar racket armed only with rum, guile and a hardy perennial.Garcia takes us on a rambling journey through the sticky shanty towns, the bliss inducing sting of the Yacca herb and the dusty swing of Duende after dark.In a time reflecting our own, Mirrorhead offers us depression, solution and revolution in the same easy measure as the music that informed it.'None are more hopelessly enslaved than those that believe they are free.'Johann Wolfgang von GoetheKurzbeschreibungOn a post crash, swing infused 1930s Caribbean island, five individuals are conspiring to to turn over a multimillion Dollar racket armed only with rum, guile and a hardy perennial.Garcia takes us on a rambling journey through the sticky shanty towns, the bliss inducing sting of the Yacca herb and the dusty swing of Duende after dark.In a time reflecting our own, Mirrorhead offers us depression, solution and revolution in the same easy measure as the music that informed it.'None are more hopelessly enslaved than those that believe they are free.'Johann Wolfgang von Goethe
