Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Misery bear at his best.... Von zoe10647 Misery bear kannte ich wie viele andere Freunde des traurigen Brchens bereits aus den sehr ansehenden, einfallsreich gemachten Kurzfilmen im Internet. Nachdem ich die Rezensionen zur deutschsprachigen Ausgabe des Bchleins gelesen hatte, war ich ber einzelne Meinungen ein wenig irritiert und beschloss daher, mir gleich die englischsprachige Ausgabe zu bestellen. Hierzu gibt es auch einen Blick ins Buch. Das war genau der richtige Weg, denn der sehr spezielle Humor geht mit der deutschen bersetzung wohl ein wenig am Ziel vorbei. Hilfreich ist es aber auf jeden Fall, wenn man mit Misery bear's Gedankenwelt schon ein wenig vertraut ist, bevor man sich in das Bchlein vertieft. Entscheidet man sich dann dafr, darf man allerdings nicht erwarten, dass die

Kurzfilme 1:1 zu Papier gebracht wurden, nur ohne Animation. Wer sich das wünscht, wird hier enttäuscht. Denn herausgekommen ist eine einzigartige Collage mit vielen Gedanken, Kritzeleien, Fotos, Gedichten, Briefen und Schilderungen, die sehr zu Herzen gehen und dem Leser trotz aller brigen Enttäuschungen manches Schmunzeln entlocken. Fazit: Für Fans ein Muss. Als Geschenk für sonstige Teddybärfreunde auch gut geeignet, wenn die Figur "Misery bear" schon ein wenig bekannt ist und der britische Humor nicht irritiert. 1 von 1 Kunden fanden die folgende Rezension hilfreich. So wie wir ihn kennen Von July So wie wir ihn kennen, gewohnt charmant, wie man ihn aus den Filmen kennt. Englischer Humor vom Feinsten. Gut und witzig als Buch umgesetzt

Kurzbeschreibung Misery Bear is the saddest, loneliest, drunkest bear in the world. Nothing ever goes his way, he hates his life and he's always one swig of whisky away from oblivion. In Misery Bear's Guide to Love Heartbreak, the furry critter shares his photos, stories, diary entries, poems, love letters, romantic recipes and doodles... All from the paw of a chronically depressed bear who just wants someone to love. Pressestimmen "Depressing but somehow endearing!" -- "Star" "This is the best book I have ever read by a bear." Richard Curtis, author, "Dumb but Lucky!" "Depressing but somehow endearing!" "Star" "Sure to strike a plangent minor chord with anyone who's been unlucky in love." "Guardian Guide" "This bear makes me want to self harm." Sharon Horgan "I've been told this may be worth looking at." Matt Berry "I wish he would just grin and endure it." Peter Serafinowicz "A book about a depressed animal? How's that supposed to work then?" -- Andy Riley, author of the Bunny Suicides "This is the best book I have ever read by a bear." -- Richard Curtis "This bear makes me want to self harm." -- Sharon Horgan "The most charming, amusing and melancholy bear in existence." -- Josie Long "Since he has paws, Misery Bear won't be able to turn the pages of this book. You, being human, can. So why not try?" -- Charlie Brooker "Misery Bear is one depressed little teddy. Despite having dated Kate Moss, the star of the BBC short films is unlucky in love. So, er, who better to produce a guide to love and dating? With tips on how to end a relationship, poems and even cocktail recipes, it's depressing but somehow endearing!" ***** -- Star "I've been told this may be worth looking at." -- Matt Berry "I wish he would just grin and endure it." -- Peter Serafinowicz "Admirers of quality web comedy may already be aware of Misery Bear, the cute, fluffy teddy who combines serial failure in the world of romance with non-stop heavy drinking. Misery's now branching sombrely out into the world of literature with a Christmas picture book that's sure to delight his growing number of fans. With features including the bear's own Twitter and Facebook pages, it's sure to strike a plangent minor chord with anyone who's been unlucky in love." -- Guardian Guide Pressestimmen "This is the best book I have ever read by a bear." -- Richard Curtis "A book about a depressed animal?
