Revisionist History by Stalin's "yes-man".Von Yuli MartovBefore reading this relatively expensive book, I tried to clear my mind of the fact Molotov was Stalin's lackey. But after reading a dozen pages or so, it was clear that, even twenty years after Stalin's death, Molotov was still a disciple of Joseph Stalin. It is most evident in his description of

Leon Trotsky. Molotov says that Trotsky never had any "real" influence in the Soviet Union, saying he had no power during the Civil War, and held no influence with V.I. Lenin, and says that Lenin only had respect for Trotsky's excellent oratorical ability. He even defecates Trotsky's legacy further by saying Lenin would have done the same thing Stalin did to Trotsky, expell him from the USSR, perhaps have him assassinated, had he lived longer than 1924. Molotov says that most of the founders of the Soviet Union, Lenin, Bukharin, Kamenev, Zinoviev, etc., etc., feared and hated Trotsky, and thought he might attempt a Bonapartist coup. This book deserved two stars, as opposed to one, because it could easily have been titled "Stalin Remembers", Molotov doesn't seem to display any type of originality during the entire book, it really seemed to be Stalin recounting his version of history. 1 von 2 Kunden fanden die folgende Rezension hilfreich. Molotow erinnert sich Von Dr. Benedikt Ignatzek Die Memoiren von Molotow sind deshalb von sehr groem Interesse, da er alle sowjetischen Parteichefs erlebte (er wurde weit ber 90 Jahre alt). Molotow arbeitet schon mit Lenin zusammen, wurde aber fr lange Zeit der wichtigste Mitarbeiter Stalins. Molotow blieb sein Leben lang Stalinist und verteidigte bis zu seinem Tode die Verbrechen Stalins. Er ist d e r Zeitzeuge der ra Stalin.

Kurzbeschreibung In conversations with the poet-biographer Felix Chuev, Molotov offers an incomparable view of the politics of Soviet society and the nature of Kremlin leadership under communism. Filled with startling insights and indelible portraits, the book is an historical source of the first order. A mesmerizing and chilling chronicle. Kirkus s Pressestimmen An important book, the same way Mein Kampf or Mao's Red Book are important...grippingly vivid.-- Arnold Beichman "The Washington Times " Kurzbeschreibung In conversations with the poet-biographer Felix Chuev, Molotov offers an incomparable view of the politics of Soviet society and the nature of Kremlin leadership under communism. Filled with startling insights and indelible portraits, the book is an historical source of the first order. A mesmerizing and chilling chronicle. Kirkus s
