Von Bridget Davis : Momma's Purle (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Momma's Purle (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ms. Davis is phenomanalVon Full of GraceI have the privilege of knowing the author personally, and to be unaware that this woman possessed such incredible talent is very disappointing. Momma's Purle is a book that many African-American women can relate to. Reading this book causes such a rush of memories that it is at times overwhelming. I would suggest that all women, African-American or otherwise, read and re-read this book!0 von 0 Kunden fanden die

folgende Rezension hilfreich. Excellent Story of Determination and Hope Von Ein Kunde Momma's Purle is a wonderful novel that truly touches the heart

Kurzbeschreibung When we first meet Sarah James, she is recovering from a suicide attempt precipitated by an overwhelming sense of despair. Sarah is the single mother of five daughters, and the prospect of rearing them on Welfare in Harlem seems impossible. Yet, when she returns to her family, she is full of resolve, and her oldest daughter Marcey's justified anger galvanizes her in a way that no amount of therapy could. The James girls are memorable sisters, the scholar Madison, Purle who is lost in her romance with street-smart Tyrone, musical Olivia and quiet Kim. Momma's Purle is however, in many ways, Marcey's story after finding her mother unconscious in a pool of blood, she became the responsible sister and much of the touching narrative is told in her natural and unaffected voice.

Autorenkommentar It gives me great joy to share Momma's Purle with you When I first began writing Momma's Purle, I felt as if I were living back in Harlem. It brought back such a rush of memories that at times I had to take an emotional break. Momma's Purle is an intimate part of myself, my creativity that I am sharing with you. When we first meet the character Sarah James in the story, she is recovering from a suicide attempt precipitated by an overwhelming sense of despair. Sarah is the single mother of five daughters, and the prospect of raising them on welfare in Harlem seems impossible. If you are ready for an emotional tour of Harlem, Post Viet-Nam War era via these likeable characters: Madison the scholar, Purle who is in love with street smart Tyrone, Marcey the oldest and responsible daughter, musical Olivia and quiet Kim, I suggest you read Momma's Purle today. There are many characters such as Sarah James out there that need to see a story similar to theirs to add hope to life. The intent of this story is to trigger a positive reaction and help to motivate a will to live in those who see no way out. Momma's Purle has a universal appeal. Whether it is enjoyment, knowledge to a class of people who have nothing, or just strength to carry on when you're at your weakest point in life and feel that all odds are against you; we have all been there. If you have a heart then you'll love Momma's Purle". I am thankful and grateful to all of you, who have given Momma's Purle a 5 star review. Most of all I am grateful for the opportunity to have grown up in Harlem. To experience such a lifestyle in a historical place that will forever keep me humble, and remind me of my beginnings regardless of where my success takes me...
