Von Kurahashi Yumiko, Atsuko Sakaki : The Woman with the Flying Head and Other Stories (Japanese Women Writing) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Woman with the Flying Head and Other Stories (Japanese Women Writing):

humans, time and gender travel all make this an enthralling collection. It may genuinely frighten, but never fails to stimulate the imagination. Though the Japanese orientation is always explicit, including references to well-known Noh figures and plays, the universality of the author's observations is unflinching. Worth a read by writers and dreamers, of any sex.

Kurzbeschreibung This is an English-language anthology dedicated to the short stories of Kurahashi Yumiko (1935-), a Japanese novelist of profound intellectual powers. The eleven stories included in this volume suggest the breadth of the author's literary production, ranging from parodies of classical Japanese literature to cosmopolitan avant-garde works, from quasi-autobiography to science fiction. Her subversive fiction defies established definitions of "literature", "Japan", "modernity" and "femininity", and represents an important intellectual aspect of modern Japanese women's literature.
