those who want to know who did what to whom and why. Von jll1976 From the Russian revolution to the Cuban missile crisis. The establishment of the Bretton Woods institutions and Marshall Aid to the OPEC oil shocks. From the collapse of colonialism, to the collapse of the Berlin wall. The 20th century had it all, and this book manages to cover it all in a logical easy to follow format. Each different era is covered, as is each region (Europe, the Americas, Asia, Africa).

**Kurzbeschreibung** THE COMPLETE HISTORY OF GLOBAL CHANGE FROM 1945 TO THE PRESENT DAY The world since 1945 has witnessed fundamental changes, notably the increasing influence of the West - particularly the USA - in a variety of spheres, the emergence and collapse of the USSR, the end of colonial empire in Asia and Africa and the escalation of wars and other conflicts in the Third World. In this incisive survey T. E. Vadney examines the key events without ever neglecting the underlying trends. He explores the rapid changes in the Middle East, the end of apartheid in South Africa and the aims of American foreign policy. He concludes with a new epilogue in which he examines the direction of post-1945 history as the world enters the twenty-first century.
