Von David Morrell : They (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised They (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. InterestingVon starbooksIHA good read, as I expected from DM. Interesting idea to Interpret those far from romantic

conditions the settlers lived in, and surely quite close to the truth. They described as such gave the story a David Morrell twist which made it special and his way of writing keeps being so very good. He certainly is one of the most compelling authors I know.

Kurzbeschreibung In a remote valley in the dead of winter, a pioneer family encounters a pack of mysterious animals with uncommon ferocity and intelligence. As a blizzard worsens, the trap tightens until only a twelve-year-old girl holds the secret of survival. This chilling e-story proves why David Morrell received a lifetime-achievement Thriller Master Award from the International Thriller Writers organization as well as three Bram Stoker Awards from the Horror Writers Association. Morrell, who has been called the father of the modern action novel, is also an Edgar, Anthony, and Macavity nominee. David Morrell is, to me, the finest thriller writer living today, bar none. Steve Berry, New York Times bestselling author of *The Jefferson Key* David Morrell is a master of suspense. He wields it like a stiletto knows just where to stick it and how to turn it. If you're reading Morrell, you're sitting on the edge of your seat. Michael Connelly, New York Times bestselling author of *The Lincoln Lawyer* Morrell, an absolute master of the thriller, plays by his on rules and leaves you dazzled. Dean Koontz, New York Times bestselling author of *Odd Thomas*
