The author's candidness is encouraging...we all struggle!Von ashley\_ford@usa.netWith all of the self-help books and motivational seminars, it's easy to feel inadequate in this life. It's almost as if, when you're facing illness or sadness or

failure, YOU are to blame, because someone out there has a solution you should have seized. The reality of it is, we are not in control, despite what our egos think! And sometimes, we will face these struggles...inevitably! The key is to be anchored to Someone greater than yourself! I found Beth Moore's book refreshing and so funny. She is candid about what we face in life...the disappointments, the trials, the joy, the wonder of it all. And she makes no apologies for relying on Jesus Christ as her only sustenance. I would recommend this book especially to moms, adoptive parents, brides-to-be, and grandmothers needing a good laugh! A quick and thoroughly enjoyable read...0 von 0 Kunden fanden die folgende Rezension hilfreich. This book of Beth's poem's inspired me to write.Von Ein KundeI have had the privilege of completing all of Beth's in-depth Bible Studies. They have changed my life dramatically, and my relationship with my Lord forever. But her book "Things Pondered" stirred something inside of me that I cannot explain, nor can I put into words. I laughed so hard I cried, and I cried so hard that I ached with pain. This book awoke a gift of writing that I didn't even know that I had. It has encouraged my walk with my Christ, and I feel as if I have a friend - though we've never met. She is so much like myself, and has become my mentor from a distance.0 von 0 Kunden fanden die folgende Rezension hilfreich.
