Von Sarah A. Chrisman : This Victorian Life: Modern Adventures in Nineteenth-Century Culture, Cooking, Fashion, and Technology before purchasing it in order to gage whether or not it would be worth my time, and all praised This Victorian Life: Modern Adventures in Nineteenth-Century Culture, Cooking, Fashion, and Technology:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Belgian

reader thinks this was ok, but not great. Von Joke M. Het boek leest als een dagboek, niet bijster gestructureerd. Ik verwachtte veel bij te leren en dat deed ik niet. Na het boek wilde ik enkele praktische tips over het dagelijks leven van de 19de eeuw overhouden, dat was een teleurstelling. Ik had graag een opsomming van dagelijkse benodigdheden om de levensstijl te adapteren en waar je ze kunt kopen, net zoals op haar blog. Het boek leest vlot, maar is geen hoogstandje. Toch ben ik blij dat ik het gekocht heb. It reads like a personal journal, not very structured. I expected to learn a lot, but I didn't. (After reading the book I wanted to have some real life advice on how to live in 19th century: More advice on which products to use and where to find them, like the author does on her blog. (She does a great job on Facebook and blog.) It reads fluent, but it's not great literature. Still I'm glad I bought it.

Kurzbeschreibung Part memoir, part micro-history, this is an exploration of the present through the lens of the past. We all know that the best way to study a foreign language is to go to a country where it's spoken, but can the same immersion method be applied to history? How do interactions with antique objects influence perceptions of the modern world? From Victorian beauty regimes to nineteenth-century bicycles, custard recipes to taxidermy experiments, oil lamps to an ice box, Sarah and Gabriel Chrisman decided to explore nineteenth-century culture and technologies from the inside out. Even the deepest aspects of their lives became affected, and the more immersed they became in the late Victorian era, the more aware they grew of its legacies permeating the twenty-first century. Most of us have dreamed of time travel, but what if that dream could come true? Certain universal constants remain steady for all people regardless of time or place. No matter where, when, or who we are, humans share similar passions and fears, joys and triumphs. In her first book, *Victorian Secrets*, Chrisman recalled the first year she spent wearing a Victorian corset 24/7. In *This Victorian Life*, Chrisman picks up where *Secrets* left off and documents her complete shift into living as though she were in the nineteenth century.
