**Von Victor Appleton : Tom Swift and His Motor-Boat (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tom Swift and His Motor-Boat (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. fun.light adventure full of the flavor of the early 1900'sVon Ein KundeI was compelled to buy this book because my Dad grew up reading the original Tom Swift books and I grew up reading the Tom Swift, Jr. books in the 50's and 60's. I had never had a chance to read any of the original stories until I found this website and when I did, well, nostalgia took over.This book is fun to read both for the story, which for Tom Swift fans from the 60's is in keeping with those stories, and for the flavor of the early 1900's. This book was written in about 1910 and the grammar and "dialogue" are of that era. Anyone who has read a book by a modern day writer trying to write as if he was in 1910 will be able to feel the difference. Tom's adventures are what you would expect in a book aimed at pre-teens, but the "Science" he uses is

1910 and presents the reader with a wonderful picture of ordinary life in that era. I highly recommend this book for anyone who wishes to get a view of 1910 regardless of whether or not the reader is a former Tom Swift Jr., Hardy Boys, or Nancy Drew fan. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very old but EXCELLENT boys' adventure book ! ! Von Ein Kunde This book was originally released in about 1910. The Airship is a kind of dirigible. Remember, this is before the Wright Brothers' flight. Old as these books are, they are full of thrilling adventures and most engaging characters. Huge numbers of these books were sold, partly because they are gripping and well done. In this book, Tom's souped up zeppelin helps him and his friends to escape trumped up, false charges for a bank robbery-- actually committed by others. Tom also meets a sweetie girl-friend when his dirigible temporarily goes out of control and crashes into the roof of her school! The characters are a real treat! Fun, odd, colorful, and wonderfully drawn. Great gift for a young person. I believe this is a handsome facsimile of the 1910 edition. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great gift for a young person . . . Von Patrick J. Callahan This fine facsimile of a classic 1910 boys' adventure book would make a beautiful gift. Young people up to about age 14 would love it. Tom discovers a secret tunnel dug by criminals to access Swift Enterprises grounds and steal his secrets. He soups up a motorboat to get double the original speed. At one point, he fights for his life as he tries to outrace a boat full of gunmen from a criminal gang. Tom is kidnapped and imprisoned, but escapes. The style is lucid, simple, and clean for young readers. The setting of 1910 adds an exotic quality to today's readers. These were the best-selling boys books of all time, with possible exception of Hardy Boys. Your son or grandson would love it. In a beautiful reprint of the original edition.

Kurzbeschreibung The tale of great boat races and thrilling experiences with Tom Swift the boatman. Kurzbeschreibung The tale of great boat races and thrilling experiences with Tom Swift the boatman. Synopsis Purchase one of 1st World Library's Classic Books and help support our free internet library of downloadable eBooks. Visit us online at [www.1stWorldLibrary.ORG](http://www.1stWorldLibrary.ORG) - - "Where are you going, Tom?" asked Mr. Barton Swift of his son as the young man was slowly pushing his motor-cycle out of the yard toward the country road. "You look as though you had some object in view." "So I have, dad. I'm going over to Lanton." "To Lanton? What for?" "I want to have a look at that motor-boat." "Which boat is that, Tom? I don't recall your speaking about a boat over at Lanton. What do you want to look at it for?"
