Von Jim Edwards : Top 43 Mistakes Website Owners Make That Kill Their Results... and how to AVOID them! (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Top 43 Mistakes Website Owners Make That Kill Their Results... and how to AVOID them! (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. What you never think ofVon Elisabetta ReistThe author gives you so many ideas that should have come to your mind before, at least part of them. It is good to read this book because you will take action on your website and blog. The results show for themselves. I would really recommend this book to everybody who has got a website and wants to make money with it.
