KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This is
powerful...Von Nate WarringtonI can only say like the other Books and writings from HaRav Tzadok, this is heavy
good stuff. You have to read it over and over also in combination with other healthy good books. The Rav tells it like
it is in all of his lessons and he doesn't pull any punches. Also you see he is not at all a racist.I've met plenty other
"Rabbis" in Germany and America who do not fit this category.I pray for him and his family!S I only have a problem
with my Kindle Reader copy Daniel and the end of days bad format
