A Blessing for Any New ChristianVon Donna Jones/LevyI purchased this book very soon after becoming a new believer in Christ. It has been a God send. It helps you as a woman understand your role and how you should live and act as a Christian Woman. The author lists a topic, such as Children, then lists several Questions (that you might be asking) and follows this with versus from the bible and then states things in "real world" language. My spouse also purchased

the ToughPoints for Men and it is wonderful also. I HIGHLY recommend buying this book.
