KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Vivid description.Von Wilfried KhnA detailed an vivid description of the historic background, the life of soldiers and

sailors, the battle and the extraordinary braveness of all those who struggled there.

Kurzbeschreibung Two hundred years ago, Napoleon Bonaparte dominated Europe and threatened Britain with invasion. Against him stood the Royal Navy and the already legendary Admiral Horatio Nelson. On 21 October 1805, a massive naval battle off the coast of Spain decided mastery of the seas. Then, over the following days and nights, the battleships and their exhausted crews endured a gale of awesome fury. As Captain Charles Tyler wrote to his wife Margaret, 'the wind blew a perfect storm'. The authors of the bestselling *FINEST HOUR* tell this story not only through the diaries, letters and memoirs of the men who wrestled with the enemy and the elements, but also through the eyes of their wives and children. Whether you are already familiar with this period of history or are coming to it for the first time, *TRAFALGAR* is a book that will enthral as it illuminates an event whose repercussions still echo today. Pressestimmen 'Excellent...comprehensively researched, vividly written and judiciously argued. Wonderfully detailed pen portraits...Much new material from French and Spanish sources gives a rounded picture...and it is this perspective from both sides of the battle that makes [it] so compelling.' -- Saul David, *Daily Telegraph* 'A landmark book' -- *Observer*
