EXCELLENT! Von Ein Kunde This is a wonderful book about a family traveling from Kentucky to Kansas. The story is told by Deborah Pieratt in letter form to her mother, Betsy Goodpaster. Deborah wrote to her mother about everything that happened along the way to her new home. She faces many difficulties on her long journey including a cyclone. She explains how hard it is to raise a family while traveling to a place she has never seen. I would recommend that anyone who loves to read should pick up this book. If you do, I hope you enjoy it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Trail of Thread Von MARIAN A SPAIN The book was very interesting and showed the challenge and hardship of westward travel in a covered wagon. I wish the author had told more about the quilts or maybe even provided patterns. I would read the whole series for the historical value.

Kurzbeschreibung Trail of Thread: A Woman's Westward Journey, Historical Letters 1854-1855 Trail of Thread Series, Book 1 Taste the dust of the road and feel the wind in your face as you travel with a Kentucky family by wagon train to the new territory of Kansas in 1854. Find out what it was like for the thousands of families who made the cross-country journey into the unknown. In this first book of the Trail of Thread series; in the form of letters she wrote on the journey, Deborah Pieratt describes the scenery, the everyday events on the trail, and the task of taking care of her family. Stories of humor and despair, along with her ongoing remarks about camping, cooking, and quilting on the wagon trail make you feel as if you pulled up stakes and are traveling with the Pieratts, too. But hints of the brewing trouble ahead plagued them along the way as people questions their motive for settling in the new territory. If they are from the South, why dont they have slaves with them? Would the Pieratts vote for or against legal slavery in the new state? Though Deborah does not realize it, her letters show how this trip affected her family for generations to come. This series is based on author Linda K. Hubalek's ancestors that traveled from Kentucky to Kansas in 1854. Twelve old quilt patterns are mentioned in the letters, and the sketched designs are in the back of the book for reference.
