Corrie's accounts of her travels will inspire, uplift, and teach you many things. For example, if you have ever felt that God could never use you after you've really blown it then you will be encouraged by her story of her plane ride that nearly ended in a crash. During the tense

flight she wanted to tell everyone about the gospel before it was too late but she was ashamed and afraid. When the plane landed safely she felt very discouraged with herself. But then a man from the same flight told her that he was amazed at her composure during the high-strung flight and wanted to know what was the secret of her peace. She then shared the gospel with him. He thanked her for giving him much to think about and she thanked God for giving her a second chance. Corrie's adventure illustrates how wonderful our God is for giving us second chances after we feel that we have really failed him. Throughout Corrie teaches us what it is to be very sensitive to God's Holy Spirit in our lives. Sensitive so that when God tells us to make changes in our life we won't wait or make excuses but just be obedient. God can then use you and me like He did Corrie - a tramp for the Lord. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Von Ein Kunde I was touched repeatedly by her stories of courage, love, and forgiveness. I sensed an underlying message that happiness comes from walking in obedience to the Lord, whenever and however He requests it from us. Very moving and difficult to put down!

Kurzbeschreibung The Story that Begins Where The Hiding Place Ends, Join Corrie on a worldwide trip that could only have been planned by God. It was in a church in Munich that I saw him One moment I saw the overcoat and the brown hat; the next, a blue uniform and a visored cap with its skull and crossbones. It came back with a rush: The place was Ravensbruck and the man who was making his way forward had been a guard one of the most cruel guards. Now he was in front of me, hand thrust out. I was face to face with one of my captors and my blood seemed to freeze. Fraulein, will you forgive me? Corrie ten Boom lived with her family in Holland for fifty years before the outbreak of World War II. Hiding Jewish refugees led to the family's arrest and Corrie was imprisoned in a German concentration camp. Released after ten months, she tramped the world with a burning desire to tell others that Jesus is a reality, that He lives, that He is victor. Synopsis Tramp for the Lord tells of Corrie's experiences after the Second World War. She began to minister world wide and travel widely visiting those she felt were suffering and who were in need of leading to the Lord in places as diverse as Africa and Germany. The book also tells of her meeting with one of her guards from the concentration camp and her forgiveness for him. An impressive and inspiring book telling Corrie's story in the years after the events of the best-selling Hiding Place. This much loved book is being re-issued in B format with a contemporary cover.
