Kurzbeschreibung"Till we draw our last breath, till our bodies are cold in the ground... we stick together, brothers, warriors, hunters, friends for life." Exiled. Blinded. Lost. Maklan of the Deer Tribe of the North, journeys through the ancient landscape of Dartmoor in search of a real father, his true tribe and freedom. In his darkest hour he stumbles across a tribe of lost souls eking out a chaotic, violent existence. No one can contain them. Until they cross the line. That line is Serra of the River Tribe. With her, they seal their fate, forcing themselves on a collision course with Maklan and all tribes of moor, river and sea. Will Maklan survive this harrowing quest to find a land he can call home, a tribe he can call his own?
