**Von R. R. Palmer : Twelve Who Ruled: The Year of Terror in the French Revolution (Princeton Classics)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Twelve Who Ruled: The Year of Terror in the French Revolution (Princeton Classics):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Well

documented and entertaining Von Ein Kunde Probably the only available book for the non-specialist on this period, even taking into account French sources. Very interesting and well written, it reads like a novel, or rather like a theater play. A must for anyone interested in the period.

Kurzbeschreibung The Reign of Terror continues to fascinate scholars as one of the bloodiest periods in French history, when the Committee of Public Safety strove to defend the first Republic from its many enemies, creating a climate of fear and suspicion in revolutionary France. R. R. Palmer's fascinating narrative follows the Committee's deputies individually and collectively, recounting and assessing their tumultuous struggles in Paris and their repressive missions in the provinces. A foreword by Isser Woloch explains why this book remains an enduring classic in French revolutionary studies. Pressestimmen "Both professionals and amateurs will be tempted by the vibrant touch that has created a warm and understanding narrative." -- "Journal of Modern History" Kurzbeschreibung The Reign of Terror continues to fascinate scholars as one of the bloodiest periods in French history, when the Committee of Public Safety strove to defend the first Republic from its many enemies, creating a climate of fear and suspicion in revolutionary France. R. R. Palmer's fascinating narrative follows the Committee's deputies individually and collectively, recounting and assessing their tumultuous struggles in Paris and their repressive missions in the provinces.
