Von Maurice O'Sullivanan : Twenty Years A-Growing before purchasing it in order to gage whether or not it would be worth my time, and all praised Twenty Years A-Growing:

Kurzbeschreibung O'Sullivan's memoir of growing up on the Great Blasket, a sparsely inhabited Gaelic-speaking island off the Atlantic coast of Ireland. The only book I have ever reviewed which simply had to be praised without reservation. Sean O'Folin, *The Listener*. Introductory Note by E. M. Forster. *Pressestimmen* Part of a unique and remarkable Irish literary archive ... compelling. * Neil Johnston, *Belfast Telegraph*, 24/6/00 * I was fascinated by the language of the book, originally written in Irish: much of the idiom of that language had been retained in the English Translation * Paul Buttle - *The Independent* * Kurzbeschreibung O'Sullivan's memoir of growing up on the Great Blasket, a sparsely inhabited Gaelic-speaking island off the Atlantic coast of Ireland.
