Von Peter Abbott, Eugene Pinak : Ukrainian Armies 191455 (Men-at-Arms) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ukrainian Armies 191455 (Men-at-Arms):

Ein highlight der Men-at-Arms-ReiheVon Maik HuenninghausGrundstzlich sehe ich es als etwas problematisch an, einem Osprey-Band 5 Sterne zu geben, zumal wenn es sich um ein Thema handelt, bei dem ich nicht beurteilen kann, wie korrekt die Angaben sind. Man kennt bei Osprey da einige Negativbeispiele...Hier gelingt es den Autoren allerdings, auf den knappen Seiten eine gute bersicht ber die verschiedenen ukrainischen Verbnde zwischen erstem und zweitem Weltkrieg zu vermitteln und Interesse fr ein in Deutschland kaum bekanntes Thema zu wecken. Knapp, aber gut beschrieben werden die wechselnden Bndnisse, zu denen sich die verschiedenen ukrainischen Regierungen

gezwungen gesehen haben, wobei ihnen meist nur die Wahl zwischen zwei beln blieb.

Kurzbeschreibung There can be no region in Europe whose history has been more tortured than Ukraine. During the 20th century Austria, Poland, Russia, Germany, Hungary, Czechoslovakia and Romania vied for power over parts of this vast and fragmented area; and its divided peoples rose time and again in vain attempts to win their independence. For the first time in the West, this book gives a succinct summary of all the different armed forces raised among the Ukrainians, and of their uniforms and insignia. These are illustrated in colour and in a selection of extremely rare photographs, dating from the Great War to the aftermath of World War II, when Ukrainian guerrillas continued to defy the Soviet authorities until the mid-1950s. Pressestimmen "...beautifully illustrated and the eight color plates show off a variety of WWI uniforms/equipment that are appropriate for armies that fought in the RCW...fills a very necessary spot in my wargaming library... As always, Osprey books form the first line of any 'attack' on a new period of study!" - HMG ing Stand Kurzbeschreibung There can be no region in Europe whose history has been more tortured than Ukraine.
