**Von William B. Breuer : Undercover Tales of World War II** before purchasing it in order to gage whether or not it would be worth my time, and all praised Undercover Tales of World War II:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
DeceptionVon R. BambergDeception, trickery, and propaganda! That's all that goes on in "Undercover Tales of World War 2." In this book weird stories occur and tells how our nation turned their back on the people of America, especially the soldiers of our nation. For example when Franklin D. Roosevelt knew that the Japanese or the Germans were going to do something out of the ordinary to Pearl Harbor but didn't do anything about it. They even think that he

was told about the Japanese bombing group coming right at the U.S. but I think that he just wanted to enter the war to try and get himself reelected. I guarantee that it is a nail biter, suspense, adventure, and a mystery all in one. So if you would like to find out what really happened during World War 2, I suggest that you obtain the book somehow and read every last word of "Undercover Tales of World War 2." 0 Kunden fanden die folgende Rezension hilfreich. Mystery and secrets abound! Von Scott Mr. Breuer does a fine job of weaving shadowy tales of intrigue and suspense into his latest book. True, the allies won the war, but what occurred behind the scenes, and who were the major players? Care to find out? Then pick up this book, it's a fascinating read into the mysteries of World War II!

Kurzbeschreibung Critical acclaim for William B. Breuer "A first-class historian." --The Wall Street Journal Vendetta! "A wealth of insights." --Los Angeles Times Book Unexplained Mysteries of World War II "Anyone interested in twists of fate should find this book fascinating." --Library Journal Feuding Allies "A valuable resource . . . highly recommended." --Booklist \* A bloc of hard-core American Nazis carries out elaborate plans to sabotage war efforts and keep the United States neutral. \* A wily Japanese "tailor" single-handedly steals the secrets to the United States Gray Code. \* A French boy and his "blind" music teacher penetrate, in broad daylight, the German forbidden zone at Port-en-Bessein. Just beneath the surface of the legendary events of World War II lurks a vast, shadowy, high-stakes realm of espionage and intelligence, where the most successful operations are the ones we've never heard about . . . until now. With his trademark blend of dynamic storytelling and meticulous detail, William Breuer reveals seventy clandestine operations that affected the course of the war. Vivid and fast-paced, this far-reaching treasury of vanishing spies, mysterious kidnappings, and bizarre subplots is a unique and riveting addition to the World War II literature.

Synopsis Over 70 behind-the-scenes tales of bribery, sabotage, and other clandestine operations from the Second World War The chronicles of World War II are filled with exotic tales of espionage, mysterious kidnappings, and bizarre subplots. Now, in the vivid, fast-paced tradition of Unexplained Mysteries of World War II, popular military historian Breuer has collected this exciting treasury of little-known events, including the Boston Red Sox catcher recruited to spy in Japan, the strange and influential "weather wars" of Greenland, Hitler's secret buzzbomb, and many more. All of the fascinating information was gleaned from official archives, interviews, declassified military reports, newspapers, magazines, and other sources. William B. Breuer (Cleveland, TN) is the author of twenty-six military history books, including The Great Raid on Cabanatuan, Feuding Allies, and MacArthur's Undercover War (all from Wiley). Ten of his books have been main selections of the Military Book Club.
