gebracht den Inhalt. Ich habe schon einige Traumbcher gelesen und finde, dass mir dieses Buch nochmal weiter geholfen hat. Es waren auch einige gute Tipps dabei, wie man die Trume von anderen auslegen kann. Am Ende fehlten mir noch ein paar mehr Beispiele, um das Gelernte zu vertiefen. Aber ich kann allen, die einen leichten und praktischen Einstieg in die Thematik bevorzugen, dieses Buch nur empfehlen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Best book about dreamsVon JudyI dream a lot and this is the only book I have found so far that really resonated with the way God speaks to me through dreams.

Kurzbeschreibung"I took the essence of my years of dream interpretation training and what I look for as a dream expert. I also found a way to teach people that would allow them to catch on quickly through an accelerated dream learning process." Doug AddisonSpiritual dream interpretation could possibly help you meet your future spouse, make the right business decisions at work, learn the calling of your children, see what may take place ahead of time, or even be at the right place at the right time! Understand Your Dreams Now is a crash course in dream interpretation drawn from decades of classroom and real world experience.It contains everything you need to get started, including a dream dictionary.In this concise book you will learn to: Get your dream's meaning quickly with pinpoint accuracy. Develop your ability to hear God through your dreams and daily life. Recognize which dreams are important and in need of interpretation. Discover destiny dreams and life-calling dreams. Effectively deal with nightmares to get a positive outcome. Track and journal your dreams for future application. Discern the symbolic meaning behind zombies, vampires, and other dark images. Understanding children's dreams and nightmares Find out the meaning of flying dreams, being chased, teeth coming loose, and more.Although not all dreams are from God, quite often God guides us through dreams. For most of us, the most important thing to discover is the purpose of a dream, not just its meaning. Only then will we know how we should respond to it. This book will help you do just that.Endorsements:With many years of experience, the wisdom of an ancient sage is mixed with relevancy of a contemporary prophetic spokesman in the writings of Doug Addison.
