Von Rabbi Benjamin Blech : Understanding Judaism: The Basics of Deed and Creed before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding Judaism: The Basics of Deed and Creed:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Every Jew (observant or not) should read thisVon J. F. de WolffStarting from the Ten Commandements and the Thirteen Principles of Faith rabbi Blech gives a very clear and inspiring overview of Jewish "theology" and view of life. A must

read for people who want to know more about Judaism. Enjoyed every moment of it.

Kurzbeschreibung Judaism is primarily a religion of actions rather than beliefs. When the Jewish people accepted God's covenant, they committed themselves first to obedience and practice, and then to striving to understand the message implicit in the Torah. In *Understanding Judaism: The Basics of Deed and Creed*, a perfect textbook for independent and classroom study, Rabbi Benjamin Blech presents a comprehensive explication of the Jewish faith. What does it mean to be a Jew? How does religion affect the ways in which Jewish people think and act? What are the basic concepts of Judaism? This volume answers these vital questions. Pressestimmen For more than a generation, Yeshiva University's James Striar School has been an acknowledged pioneer in Ba'al Teshuvah (return to Judaism) education. Rabbi Benjamin Blech has been a mainstay of that program and has done yeoman work in illuminating the basic principles and creed of Judaism. This volume, a compilation of his thoughts and teachings, brings his erudition, sensitivity, and insights to those seeking to grow in their appreciation of the truths of the Torah.--Dr. Norman Lamm Rabbi Blech's book is one that every Jew should read. Even Jews who are very knowledgeable with regard to their ancestral faith will find in it new insights that deal with aspects of the tradition of which one might have thought that nothing new could be said. Only a rabbi who is at one and the same time an inspiring spiritual leader of an active congregation of committed Jews, and a master teacher of college students searching for their spiritual roots, could so skillfully combine in his presentation of Judaism so much that can open the eyes of the latter and deepen the delight of the learned in that which they fathomed only superficially.--Rabbi Emanuel Rackman Kurzbeschreibung Judaism is primarily a religion of actions rather than beliefs. When the Jewish people accepted God's covenant, they committed themselves first to obedience and practice, and then to striving to understand the message implicit in the Torah.
