**Von Peter Halstead : Unlocking Human Rights (Unlocking the Law)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Unlocking Human Rights (Unlocking the Law):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An entirely new and groundbreaking style.... Von Phillip Taylor MBEAN ENTIRELY NEW AND GROUNDBREAKING STYLE OF UNDERGRADUATE LAW TEXT BOOK FOR HUMAN RIGHTS LAW USING INTERACTIVE MATERIALSAn appreciation by Phillip Taylor MBE and Elizabeth Taylor of Richmond Green ChambersAs Peter Halstead says in the second edition of this excellent Unlocking The Law series from Routledge: human rights law is pervasive in that it affects every area of English law!What he sets out sets in this excellent text book is a formidable explanation of the subject of Human Rights Law in easily understandable terms for what can be a difficult area of law for many to study (and teach) although it may look superficially easy!As with all the Routledge text books, this particular title is probably the best on the market as an introduction to the way in which human rights operates in England and Wales and the self-testing throughout with the various activities will assist the student with a measure of progress as the course develops. We also consider that this book has a much wider potential readership for anyone interested in the development of this topical law area.One of the main reasons why we feel that the Routledge series of legal textbooks to be of outstanding value both in terms of cost and in content is the way in which their authors (all

legal experts) explain substantive legal issues in such a readable fashion. For both tutors and students, a decision on which textbook or revision book to use is always difficult but it is clear to us from the feedback we have received from students that the Routledge texts lead the legal field. Many of their titles also have excellent links to websites sometimes marked as companion websites which also add much assistance to the hard-pressed learner and is a great additional tool for all. We would also say that the formats used by Routledge for most of their books are very much of a mainstream formula for legal texts which eases the student into methods of legal reasoning for those just beginning their legal studies and for all undergraduates: they certainly helped us with our preparation so do ensure you look very carefully at all the titles they have on offer! For the Unlocking series, Routledge use a number of special features: aims and objectives at the start of each chapter; key facts charts to consolidate knowledge; diagrams to aid learning; summaries to help check an understanding of each chapter; problem questions with guidance on answering; and a glossary of legal terminology. So, for us reviewing the book, the companion website is an innovation! Therefore, do look at the features at the beginning of the book which will assist with your learning and engagement with the subject matter. There is much food for thought throughout this excellent undergraduate primer on where we are and where we are going with the issue of human rights in the 21st century. This book covers all the main topic areas on undergraduate and professional law syllabuses and it provides a full understanding of each with supporting resources from the [unlockingthelaw.co.uk](http://unlockingthelaw.co.uk) website which will give the student an indispensable foundation of understanding of the subject.

**Kurzbeschreibung** Unlocking Human Rights will ensure that you grasp the main concepts of this fascinating and dynamic area of law with ease, providing you with an indispensable foundation in the subject. The book explains in detailed, yet straightforward, terms: The nature of human rights European Convention on Human Rights Human Rights Act Right to life Torture, inhuman or degrading treatment or punishment Public order, police powers, freedom of association and assembly Right to a fair trial Freedom of expression Privacy, private life and marriage Right to liberty and security Prohibition of discrimination Terrorism Freedom of thought, conscience and religion Property rights Contemporary themes of UN human rights review of the UK, constitutional reform, and security The book provides practical knowledge to help you apply the understanding of these themes and explains: Rights concepts and language How the Convention and Human Rights Act operate Ways in which applicants use the procedures to remedy injustices when domestic UK law has let them down What kinds of protection are available to everyone within the UK's jurisdiction How a balance is struck between the need to protect many different kinds of right in the modern world, with the equally important need to protect everyone from external threats Why it is vital that essential freedoms of thought, conscience, religion, association, assembly and expression are protected How the rights which everyone claims as their own have to be balanced against the qualifications or restrictions that are imposed to protect other people's interests This new volume is fully up-to-date with the latest changes in the law and includes discussion of essential developments, including the Protection of Freedom Act 2012, Marriage (Same Sex Couples) Act 2013 and the Succession to the Crown Act 2013. *Pressestimmen* "This book covers all the main topic areas on undergraduate and professional law syllabuses and it provides a full understanding of each with supporting resources from the [unlockingthelaw.co.uk](http://unlockingthelaw.co.uk) website which will give the student an indispensable foundation of understanding of the subject." - Phillip Taylor MBE and Elizabeth Taylor of Richmond Green Chambers ""This book covers all the main topic areas on undergraduate and professional law syllabuses and it provides a full understanding of each with supporting resources from the 'unlockingthelaw.co.uk' website which will give the student an indispensable foundation of understanding of the subject." - Phillip Taylor MBE and Elizabeth Taylor of Richmond Green
