This book gives guidelines for effective use of prophecy!Von Ein KundeUser Friendly Prophecy is a straight-forward, no-nonsense manual on the use of prophecy in the Church today. For those Christians who have felt the stirring of this gift in their lives, this book serves as a compass on the map to discovering how to flow in the prophetic.Larry Randolph breaks down this study on the prophetic into three main thrusts: Establishing the Scriptural Validity of Prophecy, Explaining the Purpose and Place of Prophecy in the Church, and Understanding Prophetic Failure and Success. This book reveals what both the Old and New Testaments have to say about prophets and prophecy and shows how this ancient gift has changed in light of the New Covenant. Both babes in Christ and seasoned believers will learn the fundamentals on how to prophesy, who can prophesy, and who a prophet is as defined by God's word.1 von 1 Kunden fanden die folgende Rezension hilfreich. User Friendly 101Von David WeaverThis book is a must for anyone interested in the prophetic. I have heard Larry speak live and we have given out over 10 copies of this book. I have given it to a few Pastors who have also really enjoyed it and have then used it for a Curriculum m for teaching their church on the prophetic. Personally, I also found it very encouraging in my own life and development of the prophetic gifts. You will be very glad you got this book. It is easy reading and you will want to get more than one copy so you can pass it along and keep a copy for your self! Blessings and Refreshings
