**Von Von Glitschka : Vector Basic Training: A Systematic Creative Process for Building Precision Vector Artwork (Voices That Matter)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vector Basic Training: A Systematic Creative Process for Building Precision Vector Artwork (Voices That Matter):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Book for Vector IllustratorsVon Holger WeinelnIn this book Von Glitschka introduces the reader to his methodology for creating precise vector graphics.He shows in his step by step process how developing ideas with pen and paper before jumping on the computer can really improve your creativity and your designs. This book is essential for all designers and Adobe Illustrator artists.0 von 0 Kunden fanden die folgende Rezension hilfreich. Very good even for

beginners Von Mikls Sziva Von Glitschka can give you a good perspective and concept how to start your illustrating carrier. :) His method based on manually drawn concepts what is very refreshing in our digital word.

Kurzbeschreibung Listen up, designers, and wipe those grins off your faces! Its time to get serious about your design work. For too long youve allowed yourself to go soft, relying on your software to do all of your creative work for you. This book will NOT show you how to use every tool and feature in Adobe Illustrator. This book WILL, however, teach you the importance of drawing out your ideas, analyzing the shapes, and then methodically building them precisely in vector form using the methods covered in this book. In Vector Basic Training, acclaimed iillustrative designer Von Glitschka takes you through his systematic process for creating the kind of precise vector graphics that separate the pros from the toolers and hacks. Along the way, hell whip your drawing skills into shape and show you how to create elegant curves and precise anchor points for your designs. Between the book and the video tutorials on the included DVD, youll be ready for active creative duty in zero hundred hours or less. In Vector Basic Training , youll learn: The tools, plugins, and shortcuts that make up a design pros creative armament How to use The Clockwork Method to create accurate curves every time When and where to set just the right number of anchor points for any design How to build shapes quickly using familiar Illustrator tools Techniques for art directing yourself so that your work gets the response you desire Why symmetry is your friend and how to use it effectively in your designs Available by download: Von Glitschka reports for duty in over an hours worth of video tutorials that walk you through all of the techniques explained in the book. Also included: downloadable art files you can use to follow along on your own. See the instructions for download at the end of your ebook.
