Very informative, well structured and balanced introductionVon Cristoffer HomannTook it with me on a trip to Vietnam and it came in very handy to read while on the road. Actually a good introduction to the legacy of the war in the whole of Southeast Asia.

Kurzbeschreibung Written for undergraduate courses on postwar American foreign policy, Southeast Asian history, the Cold War, the Vietnam war, international relations, decolonization, and third world communism, this introduction uses the wealth of recent research to place the Vietnam war within the contexts of European colonization, American Cold War strategy and Vietnam's own political history
