Von Richard Pells : War Babies: The Generation That Changed America (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised War Babies: The Generation That Changed America (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very readable and entertaining!Von Marty Gecek, Salzburg, AustriaI would recommend this fascinating book not only to

those of the "war babies" generation, but to anyone interested in the many important contributions made by this generation to American culture. This masterful collection of anecdotes and information about many well known personalities is extremely readable and most entertaining.

Kurzbeschreibung War Babies: The Generation That Changed America examines the lives and careers of Americans born between 1939 and 1945. No one has written such a book about this generation. War Babies deals especially with musicians and composers like Joan Baez, Bob Dylan, and Simon and Garfunkel; with film directors like Francis Ford Coppola and Martin Scorsese; with actors like Al Pacino and Robert De Niro; with athlete/activists like Muhammad Ali; with journalists like Bob Woodward and Carl Bernstein; and with politicians like John Kerry and Nancy Pelosi. These are the people who continue to shape our lives and cultures in the 21st century. Kurzbeschreibung War Babies: The Generation That Changed America examines the lives and careers of Americans born between 1939 and 1945. No one has written such a book about this generation. War Babies deals especially with musicians and composers like Joan Baez, Bob Dylan, and Simon and Garfunkel; with film directors like Francis Ford Coppola and Martin Scorsese; with actors like Al Pacino and Robert De Niro; with athlete/activists like Muhammad Ali; with journalists like Bob Woodward and Carl Bernstein; and with politicians like John Kerry and Nancy Pelosi. These are the people who continue to shape our lives and cultures in the 21st century. ber den Autor und weitere Mitwirkende Richard Pells received his B.A. from Rutgers University in 1963 and his Ph.D. in history from Harvard in 1969 where he taught for three years. Subsequently, he was awarded fellowships from the Rockefeller Foundation, the Woodrow Wilson International Center for Scholars, and the Guggenheim Foundation, as well as six Fulbright chairs and lectureships for teaching abroad, particularly in Europe and Asia. Currently, he is Professor of History Emeritus at The University of Texas at Austin. Visit the author at <http://www.richardpells.com>. Pells was never a traditional historian. He is primarily interested in 20th century American culture movies, radio, television, art, music, literature, and the theater, all of which are reflected in his five books. Through his work, readers are treated to a history of American cultural life from the 1930s to the present. War Babies is a prime example of the concerns and issues that have shaped Pells career.
